ONLINE EXPERIENCE FOR KIDS

At EVANGEL TEMPLE our children's ministry is called KidzTown, "where kids live and grow strong and wise".

Even Jesus was a child at one time and had to grow up. During His childhood we see that He kept increasing in stature, wisdom, and in favor with God and men. From the day Jesus was born He had a call on His life. As He grew He developed self discipline and learned how to sacrifice His flesh. He also developed His spirit and discovered what His purpose was and how God wanted Him to walk it out.

By the time He was twelve He knew the scriptures so well that He astounded the high priests. By the time He was in His 30's He was able to walk in self control and make wise choices, withstanding major temptation from Satan in the wilderness. By the time He was baptized by John, He had earned the right to hear the words "This is My beloved Son, in whom I am well pleased".

Children need to grow up in an environment where they can discover what that purpose is and learn how to walk in self-control (growing stronger) and wisdom (growing stronger in spirit), so that they can fulfill it. Our goal is to provide a place that assists families in raising their children in a way that will encourage children to grow up to be just like Jesus; confident in whom they are and able to make wise choices that will bring them grace and favor in life.

We use the LATEST TECHNOLOGIES AVAILABLE to help get the message across in FUN & EXCITING WAYS. We CREATIVELY present the AGE OLD MESSAGE of JESUS! Times ARE DIFFERENT TODAY & REQUIRE DIFFERENT METHODS... BUT THE MESSAGE is STILL THE SAME!...There's only ONE WAY to get to HEAVEN....& that is through JESUS, GOD'S SON!
