STARBUG: (stopping to look out at audience) **Twinkle, twinkle! I'm on my way to the Star Stomp if you want to come. We have some of the biggest Star Stomps in the galaxy!**

(looks around) **Ooh, I'm late. Time to be a shooting starrrrrrr!**

5

(Lights come up slowly as another STAR walks on, striking a small block with a stick. Another few STARS enter, using their hands to strike large paint cans or tubs. As the rhythm continues, more STARS walk onto stage, playing, or pantomiming a rhythmic instrument. CHOIR can walk on with shakers/maracas. STARKLES and STARBELL walk on and lead the chant. As music continues and gets more complicated, children can pantomime playing the beat along with the track.)

STARTECH: **Power stable, intensity holding steady.**

STARBELL: **Starjump, you are definitely sparkling above all the rest. Thanks to the Twinkle Amplifier, your shine is being amplified by a 100 times.**

STARJUMP: **These starbars are sure keeping my shine bright too, Starpuff!**

STARPUFF: **I'm glad you like them! They're all natural, starganic, you know.**

STARBIZ: (taking a picture) **My followers are going to love this. I bet I'll get four billion starviews with this post about the Shine Protocol!**

(STARKLES walked up to STARBUG, who is bouncing a sparkly ball.)

STARKLES: **Hey, little starbug! Can you believe the Shine Protocol was finally activated!?! This is so exciting!**

STARBUG: **Yeah, awesome! (pause) ... what's the Shine Protocol?**

STARBELL: **It's saved for a once in a lifetime alert! God is finally sending the Messiah!**

STARKLES: **I think this calls for a starlibration! (crazily) I'm so excited my sparkles are falling off!**

AV 13 12 (Music begins for "Star Stomp")

STARPUFF: **It makes me want to praise God with a Star Stomp!**

STARBIZ: **Me, too! All of heaven has been waiting for this day!**

STARBELL: **Stars! Let's stomp!**

(STARS grab a rhythm instrument and pantomime playing, or stomp their feet and slap their hands on their legs.)

STARKLES: (grabbing sticks and playing a rhythm on the ground) **Aw, yeah!**

STARBELL: **Star Alert! Guess what, everyone? Our favorite visitors are coming!**

STARKLES: *(gasp)* **The angels? Yay!**

STARJUMP: *(shouting from the Twinkle Amplifier)* **Who's coming?**

STARKLES: *(talking louder to STARJUMP across the way)* **The angels!**
(to everyone else) **They're so fun. I love it when the angels come to hang out!** *(gasp)* **Do you think it has to do with the Shine Protocol?**

STARJUMP: *(can't hear their conversation, loudly)* **I bet it has to do with the Shine Protocol!**

STARKLES: **Those angels—always throwing glitter, tossing their halos in the air and saying, “We have good news!”**

STARBIZ: **Not to mention you-know-who. He's an influencer, you know. I have 1 million followers. He has 80 billion!**

STARKLE: *(in awe)* **Lil G.**

STARBUG: **Who's Lil G?**

STARBELL: **I forgot you haven't been around very long, little star. That's what they call the angel Gabriel.**

STARKLES: **When you hear him, your sparkles will literally... jump... off... your body! Seriously, his energy is like nothing you've ever heard.**

STARPUFF: **No wonder everyone's always so scared when he meets them on Earth. Just epic.**

(ARIEL the angel enters, high fiving the STARS. She is followed by a small angel in training, ARCHIE, and lastly, a grand LIL G who just seems famous.)

ARIEL: *(like a concert announcement)* **Hello, Star Quadrant 777!**

STARKLES: *(crazily running across stage)* **The angels are here! Yeah!**

(hitting a cowbell)

(Cowbell)

The an-gels, they're here. They're real-ly, real-ly here. The
 an-gels, they're here. They're real-ly, real-ly here.

ARIEL: **Hey, my favorite twinklers, we have good news!**

STARKLES: *(imitating the way she said it before)* **We have good news! Classic angel!**

STARBELL: *(walking up shyly—a fan)* **Hey, Lil G.**

STARBIZ: *(tripping up to them excitedly)* **Lil G, I’m such a fan. I was wondering, if it wasn’t too much trouble... can you please, you know, say it?**

STARBELL, STARKLES, STARPUFF: **(Oh, yes, please! Say it, say it! Please say it.)**

STARBUG: *(wide-eyed, interested)* **Say what?**

STARBIZ: **Just wait, you’ll hear it. It’s legendary.**

(They ALL look expectantly to LIL G.)

LIL G: *(good naturedly)* **Oh, all right.**

(ANGELS lean in with anticipation.)

LIL G: *(deadpan pause for effect, then with one hand motion)* **Fear not.**

STARKLES: *(scream of joy)* **AUGH! I love it. It’s just like I imagined it in my head.**

STARBUG: *(confused)* **That’s it?**

STARKLES: **Do it again, do it again, do it again!**

(The STARS lean in.)

LIL G: *(deadpan, dry, same hand motion)* **Fear not.**

(ALL clap enthusiastically.)

ALL STARS: **(Wow. Amazing. So good. Love it!)**

LIL G: **It felt good when I said it. It was good practice.**

STARKLES: **Not that you need it.** *(giggling, “star”-struck)*

STARBUG: *(confused)* **I actually kinda thought there would be more to it...**

STARBELL: **Are you kidding? He’s the most epic of all the angels.**

ARIEL: *(ushering Lil G away like a manager)* **Let’s save it for the performance.**

ARCHIE: *(echoing and shooing them away)* **Save it for the performance!**

ARIEL: **Clear the way, everyone!**

ARCHIE: **Clear the way!**

ARIEL: **Lil G has a big moment ahead!**

ARCHIE: **Big moment!**

ARIEL: *(cutting him off)* **Thank you, Archie.** *(whispering to STARBELL)*
New assistant.

(STARBELL winks and gives a thumbs up. The three ANGELS leave.)

STARBELL: *(calling after them)* **Have a good show, Lil G!**

STARKLES: **Bye now!** *(abruptly turning to the STARS)* **We're gonna watch, right?**

STARBELL: **Obviously! Startech, can you activate Starvision?**

STARTECH: *(walking over to the side and turning a switch)* **I'm already on it.**

STARBELL: **Quick, everyone, get your Starvision glasses.**

(EVERYONE scrambles to put on star-shaped glasses.)

STARPUFF: **Yay! Everything is so blurry from up here. Just looks like mini-muffins walking around down there.**

STARBELL: *(affectionately)* **Everything looks like food to you, Starpuff.**

STARPUFF: **It's true.**

STARBIZ: **Oh, I gotta stream this to my star followers.** *(takes out device)*

STARBELL: **I remember when we just WATCHED the people on earth. We didn't have to film it or stream it...**

STARBIZ: *(joking)* **Okay, grandma.**

STARPUFF: **I'll get some snacks!**

(STARPUFF runs off, grabs some snacks and comes back on, handing them out.)

(STARS move to a viewing spot on stage, watching with star glasses. LIL G comes out with his mic and takes position. We see ANGELS appear on stage with SHEPHERDS and SHEEP, who perform an elaborate show.)

STARKLES: **Oooh, oooh, oooh! I see him! They're in a field. And he's about to start the show!**

ARIEL: *(like a concert announcer)* **Hello, Bethlehem!! Introducing the one and only, Lil G!!**

(STARS are still on side of stage except for STARJUMP, who always remains center upstage. SHEPHERDS are still sitting, not paying attention to angels.)

STARKLES: **That was epic! I bet the shepherds are having a Star Stomp!**

STARBIZ: **Wait! Something's happening...**

STARJUMP: **You're right. Looks like the shepherds choked. They're not reacting at all.**

(As LIL G does the "fear not" hand motion to the SHEPHERDS they look puzzled.)

STARJUMP: **Shoulda been a slam dunk!**

STARBIZ: **One hundred percent! If I'd posted that, it would have instantly gotten one million likes. Do they not know who he IS?**

(LIL G and ANGELS turn away from SHEPHERDS, confident their job is done. They high five each other, ready to leave, not noticing SIMON coming up behind them to tap LIL G on shoulder.)

STARPUFF: (talking with mouth full) **This is sure a great show. (offering popcorn to STARBELL) Starcorn, anyone?**

STARBELL: **No, thank you.**

STARBUG: **Wait! One of the shepherds is approaching Lil G!**

The musical score is written in 4/4 time with a key signature of one sharp (F#). It consists of two staves. The first staff begins with a treble clef, a key signature of one sharp, and a 4/4 time signature. The tempo is marked 'With excitement (♩ = 87)' and the dynamics are 'mf'. The melody starts with a quarter note G4, followed by quarter notes A4, B4, and C5, then a quarter rest, followed by quarter notes B4, A4, G4, and F#4. The second staff continues with quarter notes E4, D4, C4, and B3, followed by a quarter rest, then a half note G3, and finally a quarter note F#3. The lyrics 'I did-n't catch what you said.' are written below the notes. The second staff begins with a treble clef, a key signature of one sharp, and a 4/4 time signature. It starts with a whole rest for the first measure, then a quarter note G3, a quarter note F#3, a quarter note E3, and a quarter note D3. The lyrics 'I said, "Fear Not."' are written above the first measure. The second staff continues with a quarter note G3, a quarter note F#3, a quarter note E3, and a quarter note D3, followed by a quarter rest, then a half note G3, and finally a quarter note F#3. The lyrics 'Hmm... I heard you' are written below the notes.

(STARS take off their Starvision glasses.)

STARTECH: **Uh, starfriends, we have a problem. I think the Twinkle Amplifier is broken.**

STARBELL: (Looking at amplifier readings) **Oh, you're right! His shine has dropped below 50 glitterwatts.**

STARJUMP: **Sorry, guys, this is embarrassing. I may need to lift more starbells.**

STARPUFF: **Don't be silly! No star has ever hit that sparkle level before! Maybe try another starbar.**

(STARPUFF puts the food in STARJUMP'S mouth.)

(ARIEL, LIL G and ARCHIE walk in triumphantly.)

ARIEL: **And we're back. The show was a success!**

ARCHIE: **Success!**

STARKLES: **Tell me about it, good news! Yeah! That song slaps!**

STARBELL: **And so nice to see people on earth clearly.**

STARPUFF: **And they don't look like pastries!**

ARIEL: **Let's look back in on the action. You're going to want to see the main event. Heaven was pretty hush hush about it before, but now we get to witness it happening! Let's peek in on Mary and Joseph... in the stable.**

STARJUMP: (loudly, yawning, from up centerstage) **I know I'm tired... but I thought you said stable.**

STARBIZ: **Stable?! Who is handling his publicity? You'd think the Son of God would be booked somewhere fancier than a stable. Or at least get VIP access to a continental breakfast.**

AV17 **39** (SFX: Animal Sounds and Baby Crying)

(STARS put on their Starvision glasses and look down on the stable. Lights come up on manger scene. MARY and JOSEPH are kneeling behind the manger, and a few animals surround them.)

STARKLES: **I can't believe we get to see in the stable! (as they all look closely) Wow, there's a... lot of animals in there. That's a bold choice for a Baby's birth.**

ARCHIE: (announcing) **"In the town of David a Savior has been born to you. He is Christ, the Lord." (Luke 2:11)**

ARIEL: “And she gave birth to her firstborn son; and she wrapped Him in cloths, and laid Him in a manger, because there was no room for them in the inn.” (Luke 2:7)

STARKLES: I can’t believe we just saw that! This calls for a Star Stomp!

ARCHIE: What’s a Star Stomp?

STARBIZ: Anytime we praise God with all our hearts, hands, or feet, it’s a Star Stomp!

STARBUG: Bringing glory to God is what gives us stars our twinkle!

ARCHIE: Can I use my wings?

STARKLES: Sure! As long as you’re praising God with all your heart!

The musical score is written in 4/4 time with a key signature of one sharp (F#). It features three staves. The first staff is a bass clef line for a kick drum, with notes marked with 'x' and 'y' symbols. Above it are cowbell notes marked with 'x' symbols. The second staff is a treble clef line for Choir 1, with lyrics 'Give thanks to the Lord, for He__ is good.' and a 'His' at the end. The third staff is a treble clef line for Choir 2, with lyrics 'Give thanks to the Lord of lords: love en - dures for-ev - er. His'. Dynamics include *mf* (mezzo-forte) and *f* (forte). Performance instructions include 'Stomp!' and 'Cheering'.

The musical score is written on a single staff in treble clef with a key signature of one sharp (F#). It consists of four lines of music. Each line begins with a measure number (8, 10, 12, 15) and a treble clef. The notes are primarily eighth and sixteenth notes, with some rests. The lyrics are placed below the staff, aligned with the notes. The lyrics are: "who spread out the earth upon the wa - ters, - love en - dures for - ev - er. His the moon and stars to gov - ern the night; love en - dures for - ev - er. His ALL His love en - dures for - ev - er. love en - dures for - ev - er. His love en - dures for - ev - er. His love en - dures for - ev - er." The word "ALL" is in all caps and centered above the staff in the 12th measure. The score ends with a double bar line at the end of the 15th measure.

(STARBELL interrupts.)

STARBELL: **WAIT! I just realized, if Starjump doesn't keep his shine, he won't be able to lead others to the Baby!**

STARJUMP: **Don't worry! I'm the strongest star you have! I can do it, guys!**

STARTECH: **I'm not sure he can. The amplifier isn't working at all. This is all his own sparkle.**

STARKLES: **Maybe we should ask the angels what to do about Starjump.**

STARBELL: *(turning to ARIEL)* **We need advice. The amplifier that made Starjump's shine cut through the dark has broken!**

ARIEL: **Well, that won't do! You stars are going to have to fix the problem.**

ARCHIE: **Fix the problem!**

STARBELL: **I know! Otherwise, no one will know how to find the Baby.**

STARPUFF: *(still eating)* **Starjump, stay strong! *(offering a taco)* Startaco?**

STARJUMP: **No thanks.**

STARKLES: **Let's ask an expert. What do you think, Lil G?**

STARPUFF: **Yeah, what do you think? *(mouthful)***

(LIL G seems to consider the question and then has a bright idea. They all look at him.)

LIL G: **I got it!**

(They ALL lean in.)

LIL G: *(pause, and then with flair)* **Figure it out.**

STARS: *(erupt in clapping)* **(Ooo! Great idea! Yes! That’s the solution.)**

(LIL G looks proud and walks away.)

STARBELL: **Yes, yes, we’ll figure it out. Right away!**

(They scurry off.)

STARBUG: *(confused)* **Figure it out? That’s the advice?**

STARKLES: **It’s okay, you’re probably too young to understand his brilliance.**

(Music begins for “Repeat the Sounding Joy”)

ARIEL: **It’s so important that Starjump is shining to lead people to the King. Right now, those shepherds are repeating the sounding joy to others.**

PROPS

- Rhythmic instruments such as sticks, buckets, cans, and shakers
- Starvision glasses (glasses in shape of stars) for all stars/choir
- Starpuff's snacks
- Golden microphone for Lil G
- Hay bales
- Manger

SET

The set for this show is purposefully minimal and easy to create. You can use different blocks, levels, and benches to create a minimalistic set with a starry or black backdrop with golden starry accents. Add props to suggest the earthly scenes.

CHOREOGRAPHY INSTRUCTION/DEMO PERFORMANCE VIDEO

The Choreography Instruction/Demo Performance Video contains a fully staged performance of the entire musical, along with a step-by-step demonstration of the choreography. Thanks to the awesome *Burbank Community Kids Choir* for working so hard to present the first performance of **Star Stomp**. Thank you to my son Nathaniel Semsen, for heading up choreography! Additionally, thanks to my Drama Coach Eric Loomis.

COSTUMES

CHOIR

Consider a black or white shirt with a large gold star
