Dear Parents of Evangel Temple Nursery Children,

Greetings from Evangel Temple Nursery! We would like to extend a request to join our Ministry in volunteering one service a month to ensure that we have enough care givers for each class, for each service. This is very important. Evangel Temple has always gone above and beyond when taking care of our little ones and we believe that this ministry is paramount to our church family. **Our Nursery Policy requires parents with children (ages 0-3 years old) in the nursery to help one service a month, regardless of if you are involved in another ministry. If you are one of our parents that are not currently on the schedule, please complete the ETAG Children's Ministries Volunteer Form at**

**JUST LOOK FOR THE "I-SERVE" GRAPHIC, CLICK-IT & FILL OUT THE BRIEF FORM.**

**BE SURE TO CHECK "NURSERY". We will then contact you about the schedule.**

Thank you and God Bless you,
